### 5: Join Our Community

Select activities (based on availability)  
Dec 20 to 30 for Term 1 /  
Jun 20 to 30 for Term 2

Term starts 1st week of Jan and Jul

**Schedule a free 30-minute consultation on Monday mornings [here](#).**

Consultations run year-round, except during June and December.

This is your time to share your story—let's explore how we can support your learning journey together.

**Join us at the Little U Open House in April or October.**

Experience our community in action. See what our families are working on, and chat with our educators, students, and parents to get a real feel for life at Little U.

Ready to journey with us for a year? **Complete the Family Track section of the Enrolment Form.**

Take time to read and agree to our policies, as these help us make things work well on the ground for everyone.

Go through the details slowly. Discuss your commitment and expectations with your spouse.

Ready for personalized support? **We'll set up a dedicated Little U WhatsApp chatroom just for your family as part of our Child Welfare Channel.**

This private channel ensures child safeguarding throughout the year, providing consultations with our CEO, CWO, and Learnery Director—as needed to guide and protect your journey.

Welcome to the next step!

**Our Learnery Director will add you to our Discord channel, where you can introduce yourself and dive into activities for the upcoming term.**

Take it easy, ask plenty of questions—we're here for you every step of the way.
